## Education

---

**G. Pullaiah College of Engineering and Technology** 2022 - 2026  
Bachelor of Technology in Computer Science and Engineering  
CGPA - 8.56

**Narayana Junior College** 2020 - 2022  
Intermediate (MPC)  
Percentage – 97.2

**A. P. Model School** 2019 - 2020  
Secondary School Certificate  
Percentage – 94.6

## Skills

---

**Languages:** Java, Python(Basics)

**Technologies:** HTML, CSS, JavaScript, React.js, Node.js, Express.js, Machine Learning

**Databases:** MySQL, MongoDB

**Version Control System:** Git, GitHub

## Experience

---

### Olcademy

**Web Development intern** September 2025 - Present  
• Contributing to full-stack web development by building responsive front-end and back-end applications.  
• Collaborated with cross-functional teams to deliver scalable, high performance web applications that meet product requirements.

### ExcelR EdTech Pvt. Ltd.

**Data Science Intern** December 2024 - April 2025  
• Completed a 16-week internship focused on machine learning and data science.  
• Performed data cleaning, feature engineering, exploratory data analysis (EDA), and model evaluation using real-world datasets.

## Projects

---

### DevHub

• Designed and developed a social platform for developers to connect and collaborate.  
• Implemented JWT-based authentication and secure password encryption.  
• Integrated pagination for user feeds to optimize data loading and improve performance and managed application state effectively.  
• **Technologies:** HTML, CSS, JavaScript, React, Redux Toolkit, Node.js, Express.js, MongoDB, Tailwind CSS, Daisy UI

### SmartStream

• Developed a versatile movie streaming application integrating TMDB API and Gemini API for real-time data retrieval and personalized recommendations.  
• Implemented Firebase Authentication to ensure secure login and registration.  
• Integrated multilingual support and utilized Redux Toolkit for effective state management.  
• **Technologies:** HTML, CSS, JavaScript, React, Redux Toolkit, Tailwind CSS.

## Certifications

---

- Data Structures and Algorithms - **SmartInterviews**
- Networking Basics - **Cisco Networking Academy**
- Java Programming - **CodeTantra**
- LinguaSkill - **Cambridge (CEFR Level B2)**
